

## CBS IT Systems Cyprus has signed a 3-year framework agreement with CYTA, in Cisco networking domain. | [Read More](#)

CBS IT Systems Cyprus has signed a three-year framework agreement with the **Cyprus Telecommunications Authority (CYTA)**. The agreement covers the supply of **Cisco products**, including hardware, licenses, and related maintenance services, which will be utilized by CYTA to provide Managed Services to its clients—both in existing and future implementations.

**Mr. Dimitris Dafnis, President of Cosmos Group, stated:** “This **strategic partnership strengthens the ability of both companies to deliver integrated IT and telecom solutions in the Cypriot market**, leveraging collaborations with top-tier technology providers like Cisco. It accelerates digital transformation and the development of secure, modern infrastructure aligned with the evolving needs of businesses and end users.”

## Double Recognition for COSMOS BUSINESS SYSTEMS at the Cyprus Technology Awards 2025 [Read More](#)

**COSMOS BUSINESS SYSTEMS**, was honored with two significant awards at the Cyprus Technology Awards 2025 ceremony. In collaboration with its Cypriot subsidiary, **CBS IT CYPRUS SYSTEMS**, COSMOS was recognized for the implementation of two innovative technology projects that significantly contribute to the modernization of public sector operations and the advancement of Cyprus’s digital maturity, laying the foundation for a more modern and efficient service environment. Specifically, Cosmos received:

- **Gold award in the Gaming category** for the project: “Self-Exclusion Platform Development – National Betting Authority.”
- **Silver award in the Digital Transformation of Business Processes category** for the project: “Integrated Information System for Case Management of the Legal Service (e-Law)”.
